ORDER REGARDING APPARENT COMPLAINT SUBMITTED BY JULI WARD

On October 21, 2019, Juli Ward / Cheyenne & Arapaho Trust / Living Church of God / Fresno EOC / J. Arakelian / J. Kaprielian ("Claimant") filed proof of claim # 80878 (the "Claim") in the amount of \$41,427.14.

On April 15, 2021, the Reorganized Debtors ("Debtors") filed their *Seventy-Sixth Omnibus Objection to Claims (No Liability / Passthrough Claims)* ("Objection") (Dkt. 10537),

1 stating the harm or damage described in the Claim was not caused  
2 by the Debtors and the Claim should be expunged.

3 On November 16, 2021, the Debtors filed a *Notice of*  
4 *Continued Hearing on Certain of the Reorganized Debtors' Omnibus*  
5 *Objections to Claims* (Dkt. 11592) setting the Objection for  
6 hearing on December 21, 2021 with a response deadline of  
7 December 7, 2021.

8 On December 6, 2021, Claimant submitted a *Request to Waive*  
9 *Court Fees* ("Fee Waiver Request") (Dkt. 11679), which the Court  
10 deemed to be in error since any response filed by Claimant would  
11 have no associated filing fee.

12 On December 7, 2021, Claimant timely filed a *Formal*  
13 *Response to Notice of Continued Hearing on Certain of the*  
14 *Reorganized Debtors' Omnibus Objections to Claims* ("Response")  
15 (Dkt. 11680).

16 On December 9, 2021, the Court received what appears to be  
17 a complaint by Claimant against the Debtors, filled out on a  
18 form provided by the San Francisco Superior Court. To the  
19 extent Claimant is attempting to initiate an adversary  
20 proceeding against the Debtors, the document received by the  
21 Court is seriously defective in form, appears to be duplicative  
22 of Claimant's previously filed Response that is the subject of  
23 the pending Objection, and further appears to be barred by the  
24 automatic stay or the order confirming Debtors' Chapter 11 Plan.

25 This Order serves to clarify that the Court intends to  
26 address this most recent submission by Claimant at the hearing  
27 scheduled on December 21, 2021. To the extent the previously  
28 submitted Fee Waiver Request is associated with this submission,

1 the Fee Waiver Request is DENIED. The Court will not consider  
2 any complaint filed by Claimant unless the appropriate filing  
3 fee of \$350.00 is paid to the Court, and the complaint complies  
4 with the requirements for initiating an adversary proceeding in  
5 this court.
